Excellence in Healthcare

Niya Biotech (A Division of Albia Biocare) is a professionally managed fast growing organization with a wide range of innovative herbal & pharmaceutical products.

Niya Biotech is founded and led by Mr. Pankaj Goyal who has a wide range of experience in government, public and as well corporate sectors. He has a vast experience in marketing, handling complex business operations with diverse teams, including a role as Director in an MNC. Entrepreneurial spirit enabled Mr. Pankaj Goyal to leave cushy job in corporate world and to found Albia Biocare (the mother company of Niya Biotech).

Our Vision

To achieve recognition as a pharmaceutical company with superior quality herbal and pharmaceutical products and to have mutually rewarding long-term relationships with suppliers, pharmaceutical & healthcare community and our field associates across the Indian subcontinent.

Our Mission

- To introduce the widest range of formulations meeting highest standards of quality
- Develop deep markets in the Indian subcontinent with a long-term approach, maintaining the highest ethical standards at each step.
